How Long Does it Take to Learn?

While watching in awe at a dance school performance, a parent may wonder, "how long does it take for my child to learn those amazing steps?" This all depends on the dancer's age, talents, commitment, home practice, etc. Every dancer is different & can progress at his or her own pace.

What Kinds of Events Are Held Throughout The Year

The dancers have the opportunity to perform throughout the year at festivals, St. Patrick's Day parades in Stamford & Greenwich, shows, and for family and friends at our end of the year Showcase.

Do I need a Costume?

No, the first year dancers only need to wear their LYNN Academy shorts and a white blouse to dance at events throughout the year. For dancing in parades, a wind suit will need to be purchased due to possible inclement weather conditions. Most dancers do not purchase a costume until their third year of Irish Dancing.

How Do I Know What's Going On?

E-mails will be sent on a regular basis notifying families of events throughout the year, so please ensure that your e-mail address is correct!

Should My Dancer Perform At a local Feis My First Year?

Yes!, The beginner Irish dancers are welcome to take their time, have fun & to see what Irish dancing is all about. However, an instructor will notify the dancer via e-mail when she thinks that he or she is ready to perform in a Feis. Since most of the beginners by the end of the year know their light jig and/or reel, our Feis in Stamford, CT is a really fun event. Our students also perform in our annual Showcase.
